TEAM MEMBERS

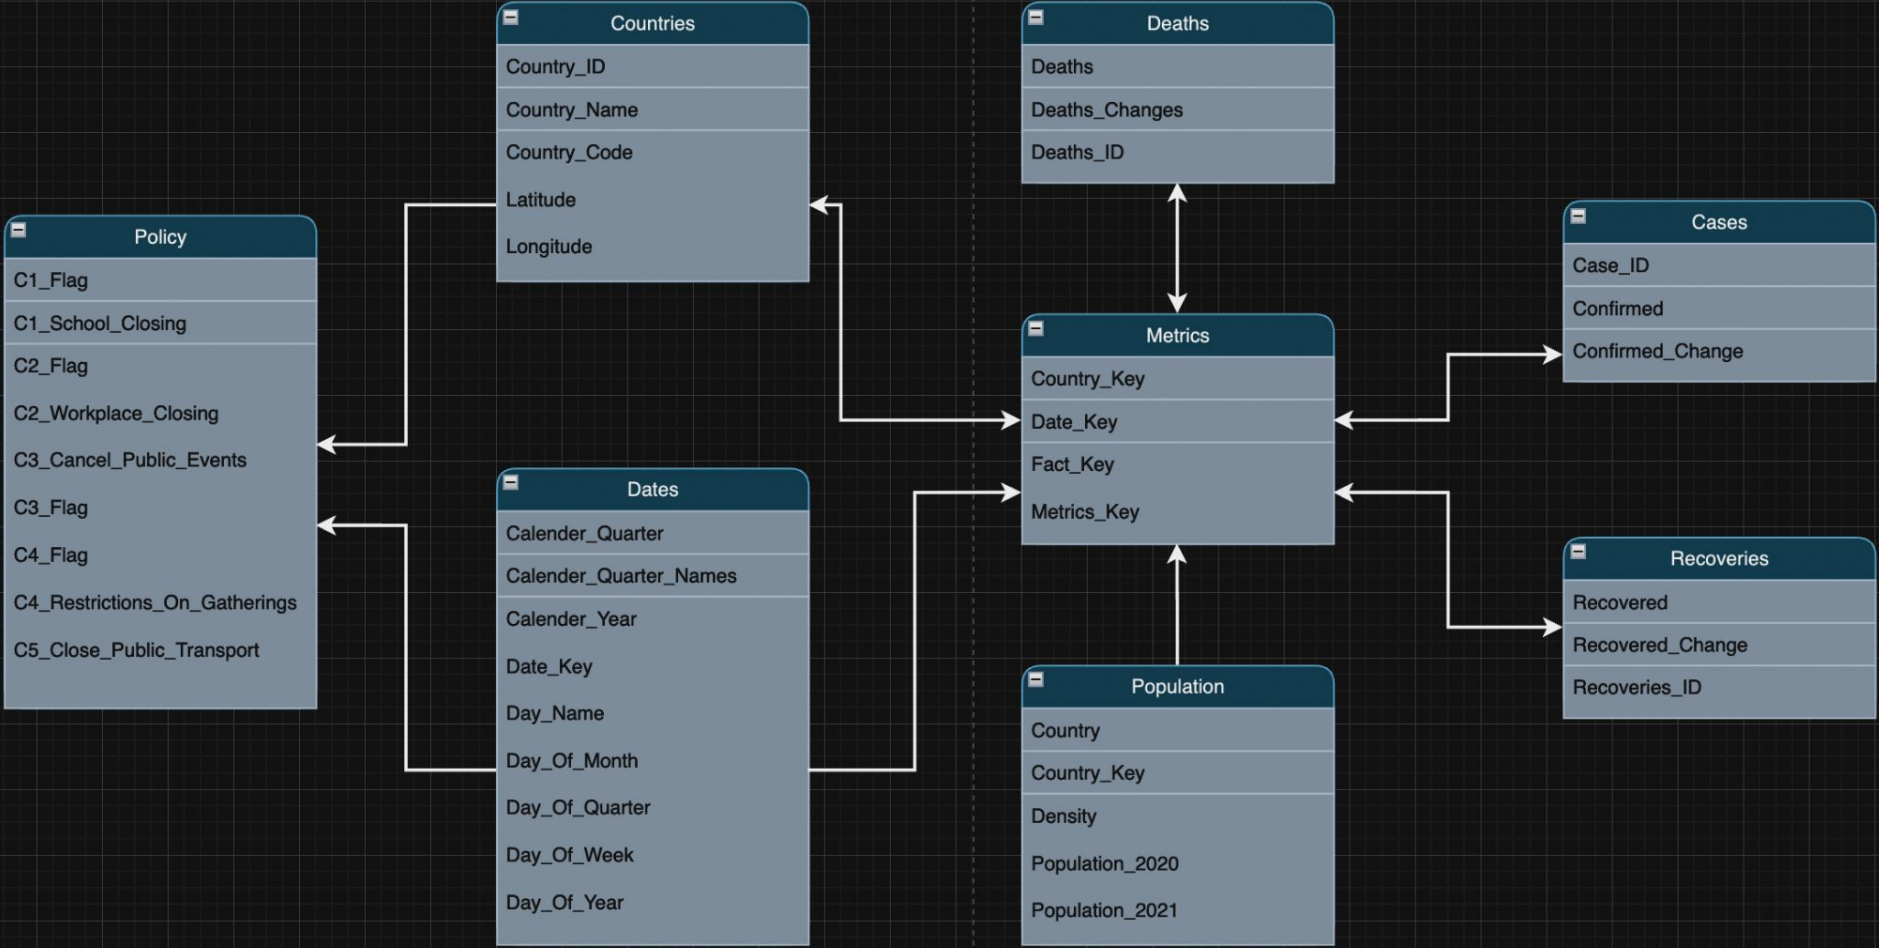

Thomas	Project Manager
Bader	Schema Architect
Yilan	Schema Architect
Michael	Project Lead
Oliver	Data Engineer
Amelia	Data Engineer

PROCEDURE

The background is a deep blue and purple space scene. It features a large planet with horizontal stripes in the top left, a smaller ringed planet below it, a rocket ship with a star trail in the upper middle, a ringed planet with three small dots on its surface in the upper right, an astronaut floating with a long tether in the top right, and a cratered moon in the bottom right. Numerous white stars of varying sizes are scattered throughout the scene.

SCHEMA DESIGN

POLICY

International Travel — no restrictions

Contact tracing — no contact tracing

ANALYSIS

CONCLUSION

- ★ Strict measures on internal movement and public transport were notably effective
- ★ Assigned policies had limited efficiency
- ★ Limitations: cannot prevent initial spread
- ★ Future directions: continue on sophisticated analyses and addressing challenges

THANKS!
